Importance: High

Alex,
I have attached the ORD set with Charlotte's comments here. OPPT is considering Nancy's comments on our QFR set attached. Both are printed and on your table.
Also, I wanted to flag that like the Sept 2019 date in in QFR# 27 which is in the unpublished reg agenda which you are comfortable with, there is a similar date in QFR#45a(Fall 2019) that is not yet public. Are you comfortable keeping this date in as well? This morning OPPT made the point in theory it is the prerogative of OMB to finalize and publish the reg agenda and all dates therein. Please advise.
M

I made an addition on one, but this doesn't look like all the QFRs. Mary, can I sign off between 1215 and 130 when I have a block of time around speeches this am?

Alexandra Dapolito Dunn, Esq.
Assistant Administrator
Office of Chemical Safety and Pollution Prevention
U.S. Environmental Protection Agency
